In deep gratitude I trust Jin Shin Jyutsu as 'the Art of Honoring Life'. With great privilege I support the arrival of this blissfully subtle and beautifully dynamic Physio-Philosophy in New Zealand and Australia. Since more than 18 years I communicate the depth and effectiveness of Mary Burmeister's mission in my private practice and internationally in Jin Shin Jyutsu Self-Help classes, public talks and frequent media releases. Special Jin Shin Jyutsu expertise in the realm of conception, pregnancy and child birth.
